Today in the past 4 years in the future

I am a UK taxpayer and understand that if I pay less Income Tax and/or Capital Gains Tax in the current tax year than the amount of Gift Aid claimed on all my donations it is my responsibility to pay any difference. You must include all your Gift Aid donations on your Self-Assessment tax return or ask HM Revenue and Customs to adjust your tax code.

I understand that other taxes such as VAT and Council Tax do not qualify.

I understand the charity will reclaim 25p of tax on every £1 that I give.
